## Che-Ryang's mystery file.

A man who  
lives in the  
rust door  
doesn't seem  
to do anything  
during day-  
time.

Whenever  
he goes out,  
he wears  
sunglasses,  
a hooded  
jacket, and  
a mask.

His father  
wants to  
avoid contact  
or has  
something  
to hide.

His father  
seems to  
wake up  
by counting  
as if...  
he repeats daylight.

Every night,  
he looks  
something in  
his backyard.

It was too  
dark to see  
what he was  
burying.

He seemed  
really nervous  
when he did it,  
so I assumed  
it was something  
serious.

Furthermore,  
the woman  
I saw five  
days ago...

It's time for  
burying her  
night vision

Before our name

a neighbor girl

Do you have  
any idea how  
embarrassing it  
was for us?

Yes,  
and

What happened  
to this road? I  
have never almost  
fallen by her  
reaction.

To be a teacher  
and you tried to  
ruin her "name".

No, shut it!

Or I swear that  
I am going to burn  
all your school  
books!

Even though  
I used that.

First of all,  
I need solid  
evidence.

Sorry, master  
but it is real  
this time.

H... hair... ?!

Corpse ?!

Kkyaaaaaaaaack !

You've been  
living ... like ?

My hair was never strong to begin with. But recently I've been  
noticing lots of hair loss. I went to a hospital and tried every  
other medicine, but noticed hair loss rate started to accelerate.  
When I was about to give up and accept my fate, I read on the  
Internet that if I bury some of my hair into a shadowed ground  
and grey came based on it, my hair will grow back again.

So ... it was  
real blood ?

No ...  
it was just  
some medicine.

She said  
she didn't want  
to see my hair.

I'm staying  
up late. But this  
shouldn't hurt.

And I will  
become bold!

It's late, so  
excuse me.

There is no  
other way!

My girlfriend  
will love me!

Hey, you are not  
leaving.

Ch. 2

Until you feel

I found out  
that he is a  
transferee  
author who  
was about to  
lose his only  
publication.

And on  
behalf of  
the tired  
me.

I asked her to  
write up a  
disseminated  
promise that  
she will not  
leave him even  
if he becomes  
bald.

And with it,  
the case  
ended  
peacefully.

And the  
girl I saw

Sally, I'll reward you
